EXPLANATORY NOTES

Congratulations on achieving an Open Awards Qualification.

Open Awards is an awarding organisation recognised by the qualifications regulators. Open Awards Qualifications are accredited by the regulator, which ensures the quality and standards of qualifications.

All Open Awards Qualifications are made up of units which are assigned a credit value and level.

Credit Value

A credit is a way of measuring and valuing your learning. One credit represents 10 hours of notional learning time.

Levels

The level of the learning you have undertaken is similar to the level of study for other qualifications for example:

Entry Level provides a basis for progression to other learning programmes

Level One is comparable to working at GCSE grades D-G

Level Two is comparable to working at GCSE grades A*-C

Level Three is comparable to working at A Level

Level Four is comparable to working at HNC level

Credits are awarded at different levels. The level, given on the certificate for each unit you have achieved, shows the stage you have reached in your learning.
